## About

Viziotix provides enterprise-grade barcode scanning and computer-vision software components (as SDKs) to capture data from images on mobile or fixed devices.

- **Highest** scan success rates;
- **Fast and powerful** location algorithm to find every barcode in milliseconds;
- Scans **difficult barcodes** with blur and damage;
- Scans an **unlimited number** of barcodes per image frame;
- **Fully supported** software for your product and customer success.

## Low Contrast

# Maxi-Scan

Maxi-Scan scans an unlimited number of barcodes per image to improve process efficiency. Capture all the barcodes in a row of shelf-edge labels, a complete case, or a pallet in just one scan.
